Title: About the monument

Author:

The fall of the Order of
the Ebon Skull has purged
the unfaithful and
unworthy from the ranks
of Oblivion's faithful, who
now stand in service of
of the Lich Lord Darrien
Church. Let the unfaithful
hold onto Umbra, for we
have moved on, the cycle
starting anew. Here
stands a statue of the
failed lich, for he was
the catalyst of
destruction necessary for
our current glory.
A failed lich is still
worth more than a den
full of rats.

Finally, the statue of our
lord, the Lich Lord
Darrien Church, is to
remind all that Oblivion is
eternal. As long as life
plagues this realm, we will
exist to cleanse it.
Lich Lord Darrien Church
has led us into a new
era of greatness.

You cannot escape us.
You cannot defeat us.
You can only embrace us.
